IMPORTANT NOTICE!!!

Subject: Regarding Automatic Diallers and Spam Prevention

Please be advised that the use of automatic diallers to send unsolicited or spam communications is strictly prohibited on this platform.

Any account found to be engaging in such activity will be **terminated immediately without prior notice.**

Call centres intending to utilize automatic dialling systems must inform us in advance. We have a separate, more suitable platform designed to accommodate the specific needs of call centre operations. We can provide you with the necessary setup and access to this alternative platform upon notification.

Your cooperation in maintaining a positive and professional communication environment on our platform is greatly appreciated.

Thank you for your understanding.
